About the Academy

Green Belt Foundation is established to build modern educational institute. Our main aims are to bring success in various competitive examinations, to make for the students strong in quality based education initially establishing a senior secondary level institute named "National Academy of Education" at Bonpura, Kaplabari. It is our strong belief and hope that, National Academy of Education is a nurturing ground for the students community to achieve scientific attitude & morality. This institute will be able to lead our region and country in the sphere of education by providing reality based education. It is committed to provide any kind of space for science, research and developed Arts and Science in Secondary level. Our goal is also to provide B.Ed and Nursing Institute in the years to come.

Location of Campus :

National Academy of Education is located at village Bonpura, Near Kaplabari Chowk, P.S. Mukalmua, Nalbari, Assam, Pin-781138.

Connectivity :

The Academy is located at a distance of 100 metres towards the north from the Kaplabari Chowk. It has good road connectivity and easy accessibility.

Motto : "Better education leads a better nation."

Mission :

National Academy of Education is established with an aim to impart quality based education to students. Through this Academy, the students are well guided to provide the interaction in between the students and extensive knowledge of Science, Arts and Secondary level with due importance being given to the human value. This holistic development of an individual leads to promote the national progress in the field of Science, Arts and Secondary level. It is expected that the Academy will soon be able to further provide nursing and B.Ed facilities.

Vision :

National Academy of Education is started with the vision of education system which should instill in the minds of students capacities of creativity, enquiry, technology, entrepreneurial and moral leadership.

- ❑ To create the scientific attitude of the students.
- ❑ To enhance learning capacity through technology.
- ❑ To promote the good citizens with scientific skills through excellent works and a strong commitment to the society.
- ❑ To develop sense of dignity, self respect and self-reliance among students.

From the desk of the Principal

Dear Students, Parents, and Educators, it is with great pleasure that I welcome you to the National Academy of Education. As the Principal of this esteemed institution, I am proud to lead a team of dedicated educators who are committed to providing the highest quality education to our students. Our academy has a long and rich tradition of excellence in education. We offer a comprehensive curriculum that is designed to provide our students with a well-rounded education that prepares them for success in all areas of life. Our faculty consists of experienced educators who are experts in their fields and who are passionate about teaching. We offer a wide range of academic programs, including advanced placement courses, honors courses, and specialized programs in science, technology, engineering, and mathematics (STEM). We also offer a variety of extracurricular activities and athletic programs to help our students develop their talents and interests.

Our academy is committed to providing a safe and supportive learning environment that fosters the intellectual, social, and emotional development of our students. We believe in the importance of character development and leadership skills, and we strive to instill these values in our students through our academic and extracurricular programmes. We are proud to be a part of the National Academy of Education, which is recognized as one of the premier institutions of its kind in the country. We are committed to uphold the high standards of excellence that have made us a leader in education. Thank you for considering the National Academy of Education for your educational needs. We look forward to the opportunity to work with you and to help you achieve your goals.

Sincerely
 Askar Ali Ahmed, MA, BEd, DME (AERO)
 Principal
